Prof. Lakshman Dissanayake
Vice-Chancellor
University of Colombo

Dear Sir,

Commendation of the Service of the University of Colombo School of Computing (UCSC)

The International Celebration of the 14th United Nations Day of Vesak (UNDV-2017) and the International Buddhist Conference were held in Colombo and Kandy in Sri Lanka from 12 to 14 May, 2017 with over 700 foreign participants from 72 countries. It was a great achievement for Sri Lanka to have hosted the above event for the first time in the history. The contribution made by the University of Colombo School of Computing (UCSC) to successfully hold the above event by designing, developing and running the website of the event (www.unvesak2017.org) while having designed and running a tailor-made online Management Information System (MIS) to register and follow up with all foreign participants was commendable.

I wish to convey my sincere thanks to Prof. K. P. Hewagamage, the Director of UCSC and Mr. Harsha Wijewardhana, Head of the Software Development Unit of UCSC and all other staff members of UCSC for their invaluable support at a time when it was most necessary to make UNDV-2017 a great success.

Chandraprema Gamage
Secretary
Ministry of Buddhasasana
